Jhon kyle Culanculan

Hello! I'm Kyle Culanculan, a first-year BSIT student passionate about web design and development. I enjoy creating simple, modern, and responsive websites using HTML, CSS, and JavaScript. I'm currently exploring front-end frameworks and UI/UX design principles to improve my skills and build real-world projects.

Experience

- Created a personal portfolio website using HTML, CSS, and JavaScript.
- Designed a login form and library management system interface using Java Swing.
- Collaborated with classmates on group coding exercises and debugging tasks.
- Experimented with responsive layouts and dark/light mode themes.
